

Oakfields
Preparatory School

EYFS Nursery 1 Curriculum Overview

Autumn

Spring

Summer

Topic

Autumn 1
All about me

Autumn 2
Light and Dark

Spring 1
My Favourite animal

Spring 2
People who help us

Summer 1
On the farm

Summer 2
Summer fun

Themes

All about me
Settling into school
My family

Colours
Owl visit
Exploring light

Pets
Wild animals
Animals from around the world

Who do you call in an emergency?
999

Farm animals

BBQ's
Summer

Phonics

Oral segmenting and blending skills, make own rhyming words (More able to continue a rhyming string), recognise rhyme and alliteration in words.
Letters and Sounds - Phase 1 Aspects 1-7

Maths

Autumn 1
Reciting Numbers
Number recognition
Talk about and explore 2D shapes
Position (in front of and behind)

Autumn 2
Matching numeral and objects (to 5)
Talk about and explore 3D shapes
Extend and create ABAB patterns

Spring 1
Number representation
Symbols and mark making
Subitising
Spatial language
Language of size / length

Spring 2
Repeating patterns
Sequencing language
Language of weight
Time language (first, then etc)

Summer 1
Reciting Numbers
Number recognition
1:1 Counting
Number comparison (using language more than/fewer than)
Language of capacity

Summer 2
Matching numeral and objects (to 10)
Talk about and explore 3D shapes
Extend and create ABAB patterns
Real world number problems (to 5/10)
Writing numbers
Language related to money

Prime Area

Development Matters - Ages 2-3 - Focus Objectives

Personal, Social and Emotional Development

- Find ways of managing transitions, for example from their parent to their key person.
- Thrive as they develop self-assurance.
- Look back as they crawl or walk away from their key person. Look for clues about how to respond to something interesting.
- Play with increasing confidence on their own and with other children, because they know their key person is nearby and available.
- Feel confident when taken out around the local neighbourhood, and enjoy exploring new places with their key person.
- Feel strong enough to express a range of emotions.
- Grow in independence, rejecting help ("me do it"). Sometimes this leads to feelings of frustration and tantrums.
- Begin to show 'effortful control'. For example, waiting for a turn and resisting the strong impulse to grab what they want or push their way to the front.
- Be increasingly able to talk about and manage their emotions.
- Notice and ask questions about differences, such as skin colour, types of hair, gender, special needs and disabilities, and so on.
- Develop friendships with other children.
- Safely explore emotions beyond their normal range through play and stories.
- Talk about their feelings in more elaborated ways: "I'm sad because..." or "I love it when ...".
- Learn to use the toilet with help, and then independently.

Communication and Language

- Use intonation, pitch and changing volume when 'talking'.
- Understand single words in context - 'cup', 'milk', 'daddy'.
- Understand frequently used words such as 'all gone', 'no' and 'bye-bye'.
- Understand simple instructions like "give to nanny" or "stop".
- Recognise and point to objects if asked about them.
- Generally focus on an activity of their own choice and find it difficult to be directed by an adult.
- Listen to other people's talk with interest, but can easily be distracted by other things.
- Make themselves understood, and can become frustrated when they cannot.
- Start to say how they are feeling, using words as well as actions.
- Start to develop conversation, often jumping from topic to topic.
- Develop pretend play: 'putting the baby to sleep' or 'driving the car to the shops'.
- Use the speech sounds p, b, m, w.
- Pronounce: - l/r/w/y - s/sh/ch/dz/j - f/th - multi-syllabic words such as 'banana' and 'computer'
- Listen to simple stories and understand what is happening, with the help of the pictures
- Identify familiar objects and properties for practitioners when they are described. For example: 'Katie's coat', 'blue car', 'shiny apple'.
- Understand and act on longer sentences like 'make teddy jump' or 'find your coat'.
- Understand simple questions about 'who', 'what' and 'where' (but generally not 'why')

Physical Development

- Clap and stamp to music.
- Fit themselves into spaces, like tunnels, dens and large boxes, and move around in them.
- Enjoy starting to kick, throw and catch balls.
- Build independently with a range of appropriate resources.
- Begin to walk independently - choosing appropriate props to support at first.
- Walk, run, jump and climb - and start to use the stairs independently.
- Spin, roll and independently use ropes and swings (for example, tyre swings).
- Sit on a push-along wheeled toy, use a scooter or ride a tricycle.
- Use large and small motor skills to do things independently, for example manage buttons and zips, and pour drinks.
- Show an increasing desire to be independent, such as wanting to feed themselves and dress or undress.
- Start eating independently and learning how to use a knife and fork.
- Develop manipulation and control.
- Explore different materials and tools.

Specific Area

Development Matters - Ages 2-3 - Focus Objectives

Literacy

- Enjoy songs and rhymes, tuning in and paying attention.
- Join in with songs and rhymes, copying sounds, rhythms, tunes and tempo.
- Say some of the words in songs and rhymes.
- Copy finger movements and other gestures.
- Sing songs and say rhymes independently, for example, singing whilst playing.
- Enjoy sharing books with an adult.
- Pay attention and respond to the pictures or the words.
- Have favourite books and seek them out, to share with an adult, with another child, or to look at alone.
- Repeat words and phrases from familiar stories.
- Ask questions about the book. Makes comments and shares their own ideas.
- Develop play around favourite stories using props.
- Notice some print, such as the first letter of their name, a bus or door number, or a familiar logo.
- Enjoy drawing freely.
- Add some marks to their drawings, which they give meaning to. For example: "That says mummy."
- Make marks on their picture to stand for their name

Maths

- Combine objects like stacking blocks and cups. Put objects inside others and take them out again.
- Take part in finger rhymes with numbers.
- React to changes of amount in a group of up to three items.
- Compare amounts, saying 'lots', 'more' or 'same'.
- Develop counting-like behaviour, such as making sounds, pointing or saying some numbers in sequence.
- Count in everyday contexts, sometimes skipping numbers - '1-2-3-5.'
- Climb and squeeze themselves into different types of spaces.
- Build with a range of resources
- Complete inset puzzles.
- Compare sizes, weights etc. using gesture and language - 'bigger/ little/smaller', 'high/low', 'tall', 'heavy'.
- Notice patterns and arrange things in patterns

Understanding the World

- Repeat actions that have an effect.
 - Explore materials with different properties.
 - Explore natural materials, indoors and outside.
 - Explore and respond to different natural phenomena in their setting and on trips.
 - Make connections between the features of their family and other families.
 - Notice differences between people
-

Expressive Arts and Design

- Show attention to sounds and music.
- Respond emotionally and physically to music when it changes.
- Move and dance to music.
- Anticipate phrases and actions in rhymes and songs, like 'Peepo'.
- Explore their voices and enjoy making sounds.
- Join in with songs and rhymes, making some sounds.
- Make rhythmical and repetitive sounds.
- Explore a range of sound-makers and instruments and play them in different ways.
- Notice patterns with strong contrasts and be attracted by patterns resembling the human face.
- Start to make marks intentionally.
- Explore paint, using fingers and other parts of their bodies as well as brushes and other tools.
- Express ideas and feelings through making marks, and sometimes give a meaning to the marks they make.
- Enjoy and take part in action songs, such as 'Twinkle, Twinkle Little Star'.
- Start to develop pretend play, pretending that one object represents another. For example, a child holds a wooden block to her ear and pretends it's a phone.
- Explore different materials, using all their senses to investigate them. Manipulate and play with different materials.
- Use their imagination as they consider what they can do with different materials.
- Make simple models which express their ideas
