A lovely message from Year 2

FEATURED INSIDE:

- *Year group Highlights - Years 1 and 2*
- *P.E. Highlight*
- *Oakfields Spirit Day*
- *Oakfields Fun!*
- *Looking Ahead*

MESSAGE FROM THE HEADTEACHER

Please find a letter from Mrs Carroll attached separately in the Newsletter email.

HEAD TEACHERS AWARD

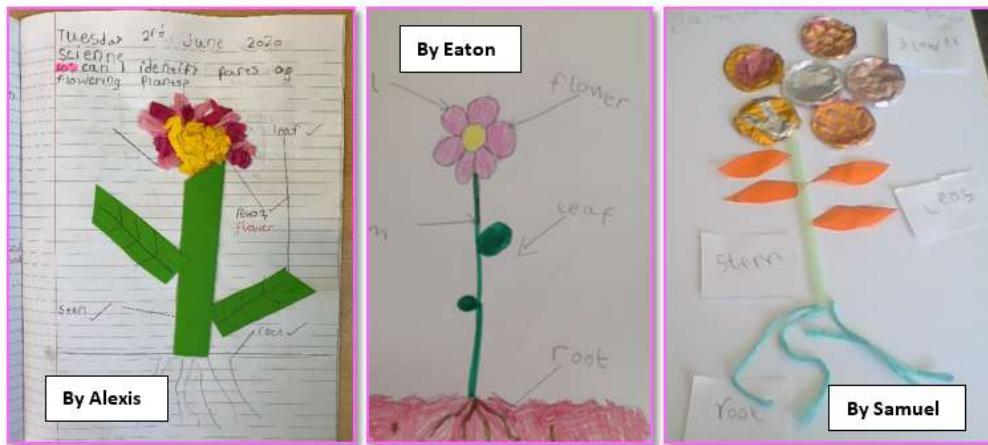

- Kindergarten - **Essie B** for working hard in her Kindergarten bubble and trying her best in our phonic session.
- Reception Oak/Stubbs - **Camille W** for showing enthusiasm and determination when learning in school. Camille has shown excellent maths skills this week when learning division and has written fantastic sentences using her phonemes in phonics. Great work Camille, keep it up!
- Reception Fields/Holmes - **Eli'sha B** and **Hugo H** for bringing their smiles into Fields bubble, returning to school and being superstars when following our new rules. Well done!
- Year 1 - **Gabriella-Grace B** for working incredibly hard with her phonics work this week by looking out for key sounds that she has been learning. Gabriella-Grace has been so enthusiastic about her Science learning too and remembered the name of lots of wild flowers. Great work Gigi!
- Year 2 - **Mikey W** for his hard work and dedication during online learning. It is clear from the work he has handed that he is working incredibly hard at home. I am very proud of you Mikey!
- Year 3 - **Isla S** for consistently producing an excellent quality and quantity of work. Isla's assignments are a joy to mark as she takes pride in the presentation of her work, especially her neatly joined cursive handwriting.
- Year 4 - **Katie A** for making excellent progress in English, especially writing. The vocabulary she's beginning to use and the sentence structures used are fantastic. Keep it up Katie!
- Year 5 - **Shanice M** for her dedication and resilience towards the entire online teaching and learning. She has continuously had a positive attitude and worked extremely hard in all aspects of her learning. Miss Bhaskaran was very proud with her RE presentation on how holy books are a source of wisdom for individuals. She went above and beyond by embedding audio and videos of herself to present her leaflet professionally.
- Year 6 - **Gabrielle S** - Although she is working from home, her work is always completed to an impressive standard, especially her newspaper report of a WW2 bombing. Well done and thank you.

HIGHLIGHTS FROM YEAR 1

BY MISS NUNN

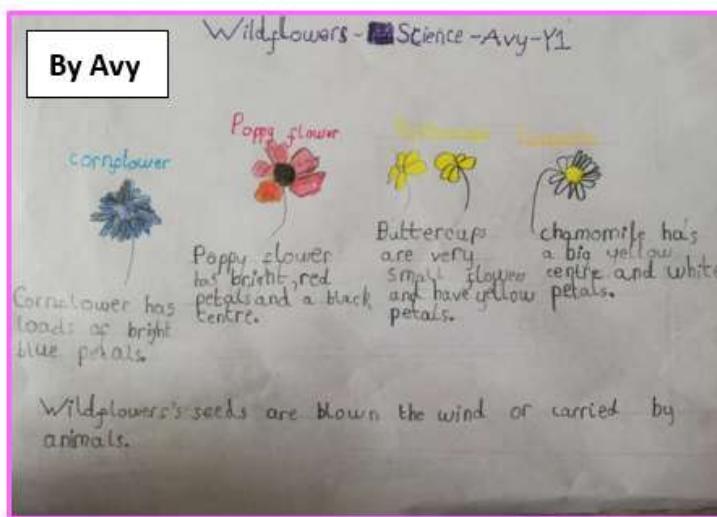

We have been learning all about plants in Science! The children enjoyed planting their flowers last week and have been learning about the main parts of a flowering plant. Check out some of their fantastic collages and drawings of flowers.

We learnt about different types of wildflowers and how to identify them. The children spoke about each of the flowers and most of the class decided that the blue cornflower was their favourite because the colour was so bright!

We created posters to show each type of wildflower. The children thought about wildflowers and how they grow and came up with some fantastic ideas about being carried by the wind and eaten or dropped by animals.

HIGHLIGHTS FROM YEAR 2

BY MISS EMIN

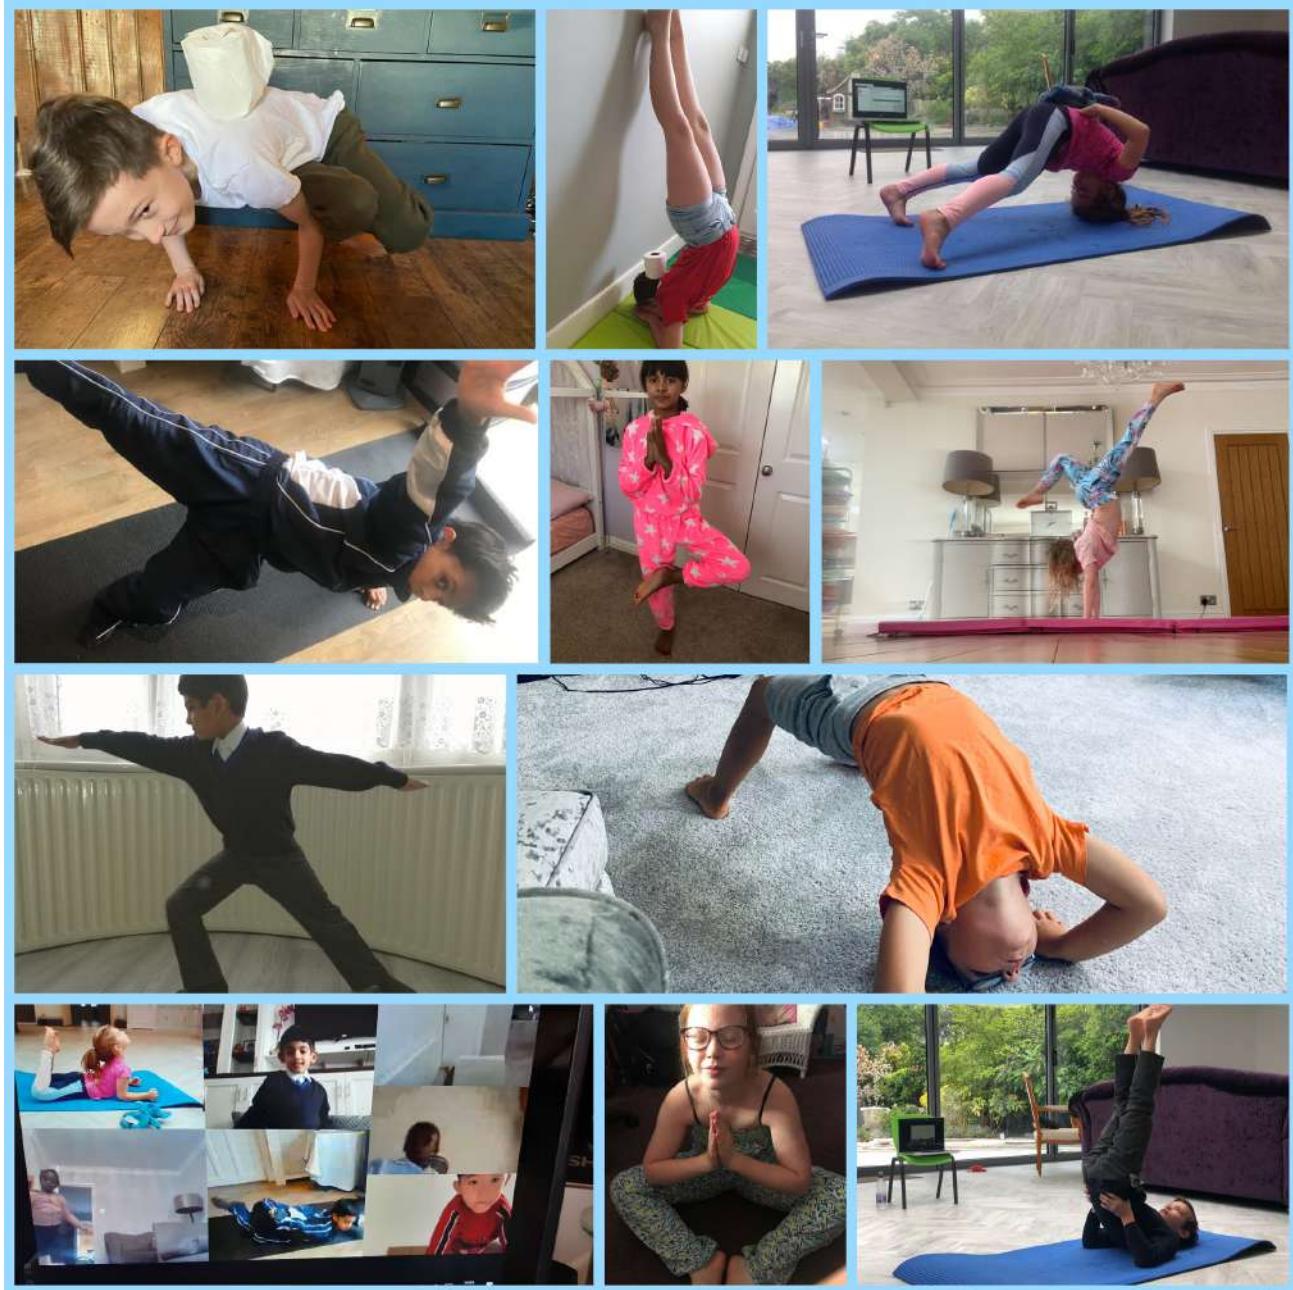

This week in Maths, we have been looking at patterns in numbers and shapes. As part of their task, the children had to look for 3d objects in their homes and create repeating patterns. They really enjoyed this activity and used a range of objects. In English, we have been busy planning and writing persuasive letters.

On Wednesday, Year 2 looked very smart in the school uniform. It was lovely for everyone to participate in Oakfields Spirit Day. The children loved being back in their uniform for the day. It has been a great week with lots of hard work, well done Year 2!

P.E HIGHLIGHTS

This week all of the year groups were focused on “Fun Yoga Balancing” in P.E, online with Miss Peacham, using a teddy or a toilet roll. We had to follow a series of Yoga poses counting between 5 - 10 seconds for each one. Some poses involved forward bending, hip opening, arm balances, basic Yoga shapes and more advanced ones like hand stands and head stands. We had to incorporate a teddy or toilet roll somewhere in the balance and had to create a sequence of 4 – 6 positions that were our favourite. Here are some pictures of us holding our favourite ones.
